# Graph Lab for crypto by shineminder.com powered, WHAT IS IT ?

## Main details

**GraphLab.io Token** for Crypto is based on Shineminder **algo technology** .

**You need to know that is possible for you to test graphlab.io alpha version V1.1.**

Today we need help crypto people and organize theirs portfolio (if you are investor you know the difficulty to manage it and find oportunity, no ?).

Solution of Graph Lab permit you as consumer or producer to get advices and start quickly invest and beat the classic traders.

To do it, we bring all best tools to beat Classique trading our system detected which token would be in "bull" or "bear market".

As a producer, to do it, it is critical to connect business with intelligence and automation tools to reduces deployment and coding.

Graphlab.io is very indispensable to start in cryptoworld to keep regularity. Also to avoid need expertise and code or macro for some automated tasks.

**Why is it special and révolutionnary ?** His engine is unique, based from long **R&D** apply to real business and usecase application.

# DETAILS

SECURITY (SSL and secret Key)!

LIGHT & FAST (as a thin client)!

OFFLINE and AUTONOMOUS (OPPORTUNITY for PRO BtoB) !

INTELLIGENT LEARNING SYSTEM ready to work !

SPEECH INTEGRATION AND VOCAL RECOGNITION ready to deploy.

Why is [GraphLab.io](#) [token](#) powered by *shineminder* is a special entity? Its it based on revolutionary engine and it is very operational to, the result of long research and development applied to real cases.

# LOW or BIG DATA ?

HUMAIN NEED FEW DATA TO  
UNDERSTAND THE LOGIC IN  
COMPARE TO MACHINE

ENGINE NEED FEW DATA TO  
DETECT HIDE LOGIC

Why is it important ?

For a better world, we need to  
reduce energy consumption and  
effectively sustain results. We  
follow it.

# FUTUR IS HERE

HOW IS THIS BUSINESS HAVE TO DEVELOPPE ?

## FINANCIAL CASE and ROI
